What do you like to do in the fall?!
Fall is about dressing warm and cozy in sweatshirts...jumping in piles of leaves...drinking warm cider...getting excited about Halloween activities...and *so much more!*

As you're back to school, don't forget to practice safety at the bus stop, walking to school, on the playground, and any other places you may travel. We're excited to see you out and about—don't forget to stop in soon!

Hey Mom & Dad!

Public Service Announcement:

First Trust & Savings Bank makes your security a priority. Watch out for this scam: Fraudsters can "spoof" any phone number, making it look like they're calling from the bank, law enforcement, or another name you trust. DON'T believe your Caller ID! Hang up and call a trusted published number. If you ever receive a call asking for account info like passwords or online codes, don't provide anything over the phone. Don't wait to tell them goodbye!

... Just hang up, and you call us. This message is brought to you by The First Trust and Savings Bank.

Feature Story: The history of Veteran's Day

Each year, on November 11th, people in the United States celebrate Veteran's Day. This holiday honors veterans, which are people that have served in the U.S. military. The holiday especially honors those veterans that died while fighting in a war.

When celebrating Veteran's Day, some places have parades. Some people visit cemeteries and place flags or flowers on the

graves of veterans in remembrance.

Veteran's Day used to be called Armistice Day. The word armistice by definition is an agreement to stop fighting. Armistice Day was created to remember the end of World War I on November 11, 1918. The first Armistice Day was celebrated in 1919 in the United States.

Armistice Day officially became a national holiday in 1938. In 1954,

the day was renamed
Veteran's Day to
remember soldiers from
all wars and not just
World War I.

People in Australia, Canada, France and the United Kingdom also honor veterans on a day in November. In Canada and the United Kingdom, they call the holiday Remembrance Day. Specifically on November 11th, people across Europe remember the end of World War I.
